

Ever dreamed of owning a home,

but thought it may never be possible? Good news! We may have the key to unlock your dreams!

If you have a housing need (for example: your rent is too high for your incomes, your neighborhood is unsafe, your residence is overcrowded), you are willing to partner by doing sweat equity and attending homeownership classes, and you have the ability to pay an affordable mortgage payment, we want the opportunity to tell you more about the possibility of becoming a homeowner!

Join us for a Habitat Homeowner Informational Session:

Saturday, January 19th at 10am.,
Second Presbyterian Church
313 North East Street, Bloomington
For details regarding homeownership with Habitat.

You must RSVP for this event! Reserve your spot by contacting the Habitat Office at (309-827-3931)
